1. Who writeth My words for what purposes?
Who will do what with My words?
Who will self-taint them for their own selfish purposes, selling them, wanting with them, wanting to fashion their own kingdom with them. God help them. I won't.

2. There is healing in Me, not profit.
There is healing in My wings, not the prophet that wants profit.
There is healing in My words.
There is truth in My words.
There is salve to the wound.

3. Who will profit withal?
Who will prophet become?
For what purposes will you want/write My words?
Tell Me, answer Me, silent not remain.
Open your mouth giving word/voice to your heart and write My/your answer to My request.

4. See what I say.
See what I request.
See My desire for My words to reign in you not for want purposes, but love love loving Me.
I want you to want Me for Me, not for what you can do with Me/My words.

5. Thou hast said in thine heart there is no god, not. You Ted have said over and over, "I know you're real. I know you're real. I know you are real. I know you hear me. I know you hear me. I know that I know you are real and you exist and you hear me and you are real and you hear me and you care and you exist and I know you are more." Thank you, Sir. I knight thee, salute thee. I call you, Lord. I love you. Yes, of My lordship and blessing now, not cursing, with all love and apportionment to My throne now without measure, Godhead of only Me and My measurement system.

6. Who can measure a man? Who can measure his heart?
Who can establish the heavens with his word?
Who will watch over My kingdom and give away nothing, giving away all, operating in the kingdom of heaven without reserve to the mighty many, at dawn, at dusk, not at/in want, but in/as My Father's wants/instructions/heartbeat?

7. Who will laud the lonely, self-pitiful who want? I won't.

8. Who will laud the pitiful who want their wants and languish for it, when all the while I/we bow before them, giving/offering/inviting their wants into the kingdom of heaven for a song not, for surrender to privilege, for surrender to greatness, for surrender to rest and operation of My/our Fathers wants above all, our/your mind quieted, still'd, given, slain, for to take up not, for to receive/surrender to our Father's love/mind/wants, who Freedom is with no shadow or variableness of turning. I love you.

9. Who wanted My words for what reason?

I love you.

11. Who can stand the heat of My withdrawal?
Who can understand this question, "why hast thou forsaken Me"?
Who in their right mind would give up Me for Me?
Who will be/become Me?
Who/what is "right" and how do you know?
What do you want, My words? Why and wherefore and, ask yourself please, "what will I do with them?
Can I stand them/the heat of refusal?
Can I stand the thought of standing?
Can I stand the thought of truth coursing through my veins to river truth to others who want them not, calling me daft and separating friendship after years, answering not my emails or requests for friendship continued?"

Ask Me about operating in other worlds/earths/planets/galaxies.
Ask Me about My word and what it does/means.
Ask Me whether you can stand My truth/process.
Ask Me what purity means.
Ask Me about process/timing.
Ask Me about acceleration outside of time.
Please, will you please?
Will you please ask Me and wait for Me to answer? And when I answer, write it down and bring My questions/answers to Me/only Me, for awhile, until I tell/ask/plead for you/Me to share them, share them, river/provide them, offering your tributary to river become/join in the stream of Truth, one, being Me; accelerating others in the process; the process of process of surrender to surrender? Footnotes:
1. Dan 3:16-25 Shadrach, Meshach and Abednego replied to the king, "O Nebuchadnezzar, we do not need to defend ourselves before you in this matter. If we are thrown into the blazing furnace, the God we serve is able to save us from it, and he will rescue us from your hand, O king. But even if he does not, we want you to know, O king, that we will not serve your gods or worship the image of gold you have set up." Then Nebuchadnezzar was furious with Shadrach, Meshach and Abednego, and his attitude toward them changed. He ordered the furnace heated seven times hotter than usual and commanded some of the strongest soldiers in his army to tie up Shadrach, Meshach and Abednego and throw them into the blazing furnace. So these men, wearing their robes, trousers, turbans and other clothes, were bound and thrown into the blazing furnace. The king's command was so urgent and the furnace so hot that the flames of the fire killed the soldiers who took up Shadrach, Meshach and Abednego, and these three men, firmly tied, fell into the blazing furnace. Then King Nebuchadnezzar leaped to his feet in amazement and asked his advisers, "Weren't there three men that we tied up and threw into the fire?" They replied, "Certainly, O king." He said, "Look! I see four men walking around in the fire, unbound and unharmed, and the fourth looks like a son of the gods."
